PLANNING MY FUNERAL

This plan has been written by me with the following aims:

- To help me think about what I would like as my final farewell and how I can bring 'ME' into the ceremony
- To help those I leave behind to know my wishes and make the planning easier
- To leave messages I would like shared

This is a guide only - not a legal document. Keep it in a safe place and let others know where to find it. Update it as often as you like. Please share and encourage others to complete their own plan.
